Portfolio

My web design portfolio can be found online at www.reactive-design.co.uk & www.boshanka.co.uk. A hard copy is available on request.

Interests

I am very keen to expand my learning. I enjoy tackling challenging new projects and innovations. When I'm not working for clients I like to develop my skills further, exploring as many new technologies as possible – I'm currently immersed in AJAX and RUBY ON RAILS. I am passionate about all aspects of front and back end web development. My hobbies include snowboarding, playing snooker, socializing, playing guitar, keeping fit, freehand drawing and cycling.

References

Available on request.
